MEMORANDUM FOR THE RECORD

25X1A

SUBJECT: Program Structure Meeting with OPPB

25X1A

25X1A 1. At 1415 hours, 8 September, [] and I met with [] and [] of OPPB concerning our suggestions on the proposed OPPB Program Structure. Since a Program Call Meeting was being held at 1500 hours, this meeting was, of necessity, short. [] took a few minutes to scan through our memorandum and then [] and I went over proposed Program Structure with them item by item. 25X1A

25X1A 2. [] were briefed on each of the changes that we proposed from our structure and while they were attentive to our suggestions, they were noncommittal as to whether or not they might consider acceptance of these suggestions. This was especially true in reference to placing Management Support at the sub-category level. It was agreed that after [] had had further opportunity to consider our memorandum and our suggestions that we would meet again on this subject to discuss their reaction to our suggestions. 25X1A
